

THE COHESIVE LEADER

Cohesion Culture™

... is a safe workspace where people have a sense of belonging, are valued, and share in mutual commitments. Cohesion is a causal phenomenon & when present leads to engagement. Cohesion=Performance=Engagement.

Creative Thinking

... have a willingness to be wrong. Think outside the box. Challenge assumptions and conventional thinking. Be ridiculous during brainstorming. Try. Refine. Implement. Evaluate. Succeed. (TRIES).

Takeaways

Willingness to be wrong
Try. Refine. Implement.
Evaluate. Succeed.

Think outside the box
Challenge assumptions &
conventional thinking.

Brainstorming
How ridiculous are you willing to be?

Circuits Activity Instructions

- Use the discs as instructed to complete a closed circuit
- Turn all the discs over
- Start with 1, 2 and 3 (yellow)
- Note the color and complete the first closed circuit.
- Now go to 1, 2, 3 and 4 (red)
- Note the color of the highest number and complete the next closed circuit.
- Repeat this process until all closed circuits have been completed.
