**What do you think are the
benefits of an
organization's focus on
Emerging Leaders?**

**What then, can
credit unions do
to attract and
retain young
pros?**

What values and opportunities matter most to young & emerging leaders?

**How does this
translate to the
development that
credit union leaders
can provide for their
young pros?**

Can you expand on your
Protégé experiences and its
importance in your career
path?

**Could you share your
thoughts on the challenges
that emerging leaders face
and how these challenges
might have an impact on our
career paths?**

Speaking impact

Your ability to communicate effectively will leave a lasting impact on your audience

Effectively communicating involves not only delivering a message but also resonating with the experiences, values, and emotions of those listening

**Can you discuss
how *Imposter
Syndrome* has
impacted your
journey and the
steps you've taken
to overcome it and
build confidence?**

What are some ways that emerging leaders can foster support from their leadership to become the best professional possible, excel in these opportunities, and achieve professional growth?

Can you share what work-life integration looks like for you, and what approaches have helped you maintain a healthy blend of work and personal life?

Thank you!
